Dear Marie:

You must be prophetic! Even though your cartoon played in the Deseret News a few weeks ago, many of my colleagues on the Judiciary Committee would agree that your cartoon was right on target today! We just finished a day-long hearing with the Attorney General. I won't say I was exactly doing what your cartoon suggests, but the verbal jousts came close.

Again, thank you for the cartoon and I hear from Paul that you are sending an autographed cartoon for framing in the office. That's great. The Deseret News should have had your talents a long time ago.

Give my best to your folks. I understand they are constituents of mine. They must be very proud of their daughter.

With best wishes,

Orrin G. Hatch
